STATEMENT OF PURPOSE; HOW TO USE THESE BYLAWS

The Tallahassee-Leon County Planning Commission (hereinafter called "Planning Commission") was duly established by virtue of an interlocal agreement dated September 26, 1967, between the County of Leon and the City of Tallahassee. This agreement designates the Planning Commission as the entity responsible for comprehensive areawide planning within the City of Tallahassee and Leon County. The Planning Commission is also the duly designated Local Planning Agency and Land Development Regulation Commission pursuant to Chapter 163, Florida Statutes, and members of the Planning Commission serve as seven of the nine members of the Transportation Planning Advisory Committee to the Metropolitan Planning Organization pursuant to Chapter 339, Florida Statutes. Duties and responsibilities of the Planning Commission are set forth in the interlocal agreement, these Bylaws, and the ordinances of the City of Tallahassee and Leon County.

These Bylaws set forth the procedure to be followed and adhered to by the Planning Commission in discharging its assigned duties and responsibilities and by all persons bringing matters before the Planning Commission. The provisions of Part I govern the activities of the Planning Commission when it sits as the Planning Commission and as the Land Development Regulation Commission. The provisions of Part II govern the activities of the Planning Commission when it sits as the Local Planning Agency. The provisions of Part III govern the activities of the Transportation Planning Advisory Committee. To the extent applicable, the provisions of Part I shall also govern the activities of the Local Planning Agency and the Transportation Planning Advisory Committee. In the event that specific provisions in Part II are in direct conflict with the provisions in Part I, the provisions of Part II shall control as to the activities of the Local Planning Agency. In the event that specific provisions of Part III are in direct conflict with the provisions in Part I, the provisions of Part III shall control as to the activities of the Transportation Planning Advisory Committee.

PART I
TALLAHASSEE-LEON COUNTY PLANNING
COMMISSION

ARTICLE I - DEFINITIONS

As used in these Bylaws:

(a) "Appeal" means a de novo quasi-judicial proceeding to review the decision of a City or County official or committee. In such a review no presumption of correctness is afforded to the decision under review.

(b) "Applicant" means the person filing an application for approval of a site plan, plat, rezoning or other action to be taken by the City, County or Planning Commission.

(c) "City" means the City of Tallahassee.

(d) "Commission" means the Tallahassee-Leon County Planning Commission unless the context of the sentence implies that the reference is to the Tallahassee City Commission or the Leon County Commission.

(e) "County" means Leon County.

(f) "Days" means working days, unless otherwise stated.

(g) "De novo proceeding" means a quasi-judicial proceeding wherein the parties submit testimony and evidence in support of their position and the reviewing body evaluates the issues raised in a petition as if they were being reviewed for the first time.

(h) "Documentary evidence" means any document, memorandum, letter, expert or lay report, resume, data, chart, diagram, survey, drawing or other writing whether printed or on computer disk, any video or audio tape, film, slide, overhead projection or photograph.

(i) "Development Review Committee" or "DRC" means the Development Review Committee of the City of Tallahassee or of Leon County, as applicable.

(j) "Filing" means received in hand by the Clerk of the Planning Commission. Mere placing in the U.S. Mail does not constitute filing.

(k) "Greater impacts" means an increase in the effects of a project upon infrastructure or natural resources. An example of a "greater impact" is a change in a residential plat that increases the number of units, lots, or impervious area.

(l) "Local Planning Agency" or "LPA" means the entity responsible for preparation of the Comprehensive Plan and amendments for approval by the City of Tallahassee and Leon County

and performance of other duties of a local planning agency as provided in Chapter 163, Florida Statutes, the Ordinances of the City of Tallahassee and Leon County, and these Bylaws.

~~(m) "Metropolitan Planning Organization" or "MPO" means the Tallahassee Leon County Metropolitan Planning Organization, which is the entity responsible for developing transportation plans and programs for the Tallahassee Leon County metropolitan area.~~

(mn) "Party" means the applicant, the local government with jurisdiction, or any person who will suffer an adverse effect to an interest protected or furthered by the comprehensive plan, including interests related to health and safety, police and fire protection service systems, densities or intensities of development, transportation facilities, health care facilities, equipment or services, or environmental or natural resources. The alleged adverse effects may be shared in common with other members of the community at large, but shall exceed in degree the general interest in community good shared by all persons.

(ne) "Person" means a person, corporation, partnership, association, unit of government or organization.

(po) "Petitioner" means a person who files a petition ~~to invoke formal procedures for~~ quasi-judicial proceedings and who qualifies as a party.

(pq) "Planning Commission" means the Tallahassee-Leon County Planning Commission.

(qf) "Quasi-judicial proceeding" means a proceeding that results in a decision having an impact on a limited number of persons or property owners, on identifiable parties and interests, where the decision is contingent on a fact or facts arrived at from distinct alternatives presented at a hearing, and where the decision can be viewed as policy application rather than policy setting.

(rs) "Rendered" means when a decision is reduced to writing and formally delivered or filed. In the case of an order of the Planning Commission, the order shall be rendered when it is date stamped by the Clerk of the Planning Commission.

(st) "Respondent" means a party who is opposing the position taken by the petitioner.

(tu) "Substantially different impacts" means effects from a development that cannot be reasonably anticipated to occur based on the public notice given. An example of a "substantially different impact" is a change in a mixed use project that eliminates a commercial use and substitutes it with an office use. Although the effect may not be greater, it will be substantially different from what was anticipated by the public notice. A reduction within zoning categories to a lesser included use will not be considered a different impact.

ARTICLE II - MEMBERSHIP, TERMS, MEETINGS AND OFFICES

Section 1. Membership. The Planning Commission is composed of three members appointed by the Board of County Commissioners of Leon County, three members appointed by the City Commission of the City of Tallahassee and one member selected by the School Board of Leon

County and appointed by the City and County Commissions. A member who wishes to resign prior to the completion of his or her term shall submit a letter of resignation to the appointing body stating the effective date of the resignation.

Members serve at the pleasure of the governing body that appointed them. Reasons for termination of a member include the following: 1)(a) for City appointees, the member no longer resides or owns property within the City limits, or is no longer a City Utility customer; (b) for County and School Board-selected appointees, the member no longer resides in Leon County; 2) the member is absent for two of three successive regularly scheduled meetings; or 3) the member has frequent conflicts of interest.

The Clerk of the Planning Commission shall provide a report to the City Commission, County Commission and School Board by the 15th of each month, setting forth the attendance of each Planning Commissioner for the prior month.

Section 2. Terms. Planning Commissioners shall serve for a term of three years, unless terminated as provided in section 1), and may be reappointed.

Section 3. Regular Meetings. The Planning Commission shall hold regular meetings in accordance with a schedule to be approved by the Planning Commission in November of each year. An approved schedule may be altered within the calendar year upon vote of the Planning Commission. All meetings shall be open to the public.

The Planning Commission will usually vote on applications at the public hearing where the matter is heard but may continue an item in accordance with applicable ordinances and provisions of these Bylaws.

Section 4. Special Meetings. The Chair can call a special meeting of the Planning Commission by actual notice to each member at least twenty-four hours in advance of the meeting. No action shall be taken at a special meeting on an application pending before the Planning Commission unless the public interest clearly requires action before the next regular meeting. If it is intended that action be taken at such a meeting on an application pending before the Planning Commission, the most effective and appropriate notice under the circumstances shall be given to applicants and the public. However, no action on an application shall be taken at any special meeting unless all notice requirements of applicable ordinances as to the public hearing have been satisfied. As used in this section an "application" means an application pending before the Commission but does not include action on motions that do not dispose of the application.

Section 5. Place of Meetings. The public hearings and meetings of the Planning Commission shall be held in the City Commission Chambers, City Hall, the County Commission Chambers, Leon County Courthouse, or such other appropriate room in City Hall or the County Courthouse. Except in instances governed by Section 4 above, the Planning Commission may alter or modify the place of any of its meetings by directing written notice of such meeting place change to the parties with matters agendaed for such meeting and by publishing notice in the newspaper at least three days before the scheduled meeting. Nothing herein shall preclude changes resulting from unanticipated need to change the meeting locale. If a meeting locale must be changed, a sign will be

posted at the noticed location directing the public to the new meeting location. Meetings shall be held in facilities that are readily accessible to all citizens.

Section 6. Offices. The offices of the Planning Commission shall be those of the Tallahassee-Leon County Planning Department. The person in charge of said offices shall be the Director of the Planning Department, or the Director's designated agent.

ARTICLE III - QUORUM

No acts or recommendations of the Planning Commission shall be made unless a quorum is present. A quorum shall consist of four voting members. The presence at a meeting of a Commissioner who has a voting conflict on a matter cannot be counted toward satisfying the quorum requirement on the item in which that conflict exists. Proxy votes and absentee votes shall not be allowed.

ARTICLE IV - OFFICERS

The Planning Commission shall elect one of its members as Chair for a term of one year. The Planning Commission shall also elect one of its members as Vice-Chair for a term of one year. The Chair shall preside at all meetings and shall sign official correspondence and orders. ~~The Chair, or a commissioner appointed by the Chair, shall appear before the Metropolitan Planning Organization as the representative of the Transportation Planning Advisory Committee.~~ The Vice-Chair shall serve as Chair in the absence of the elected Chair. The most senior member present will serve as Chair in the absence of the elected Chair and Vice-Chair. Elections shall be held in September of each year.

ARTICLE V - PASSAGE OF MOTIONS OR MATTERS

Section 1. Motions or Matters for Regular Business. At a duly assembled meeting of the Planning Commission, no motion or matter pertaining to the regular business of the Planning Commission shall be passed unless a majority of the members in attendance for the motion or matter under consideration is recorded as voting in favor of the motion or matter. In those cases where a majority vote in favor of a motion or matter is not recorded, the motion or matter shall be recorded as being defeated. In case of a tie vote, the vote will be treated as: 1) a denial; or 2) a recommendation for denial where, by ordinance, the Commission's action is to be in the form of a recommendation to the City or County Commission.

Section 2. Motions or Matters Amending Bylaws. These Bylaws may be amended at a regular or special meeting of the Planning Commission by affirmative vote of two-thirds of the members appointed to the Commission. Proposed amendments may be approved by the Commission after due notice and public hearing at a regular meeting of the Planning Commission. Due notice shall consist of newspaper notice at least ten days in advance of the public hearing on the Bylaws. Amendments to these Bylaws shall become effective only upon approval by the City and County Commissions.

ARTICLE VI - RECONSIDERATION

Section 1. Decisions Involving Applications Coming Before the Commission. Upon adjournment of a meeting at which a vote is taken on an application, the Planning Commission ceases to have jurisdiction over an application. However, any vote on an application may be reconsidered at any time prior to adjournment of the meeting at which the vote was taken, upon a motion made by a member recorded as voting upon the prevailing side when the motion was considered by the Planning Commission. The Planning Commission may require republication of notice by the applicant. Reconsideration of an application may also be had upon remand of a matter by the City or County Commission. In case of remand for reconsideration, the applicant may be required to pay the cost of any new public notice required by the action.

Section 2. Reconsideration of Other Decisions. Reconsideration of any other motions shall be governed by Robert's Rules of Order, Revised.

ARTICLE VII - CONTINUANCES

The Planning Commission, by motion and affirmative vote, may elect to continue any matter placed on the agenda for its consideration until a time certain within the time provided by governing ordinances. With the applicant's consent, the Planning Commission, by affirmative vote, may continue any matter placed on the agenda for its consideration to a time certain beyond the requirements of the governing ordinances. If a quorum as defined in Article III is not present at a Planning Commission meeting, the Clerk of the Planning Commission or (designated staff in case of matters pertaining to the Local Planning Agency or ~~Transportation Planning Advisory Committee~~) shall announce the continuance or rescheduling of the matters on the agenda until a time certain. Any time requirements in the governing ordinances shall be taken into consideration in rescheduling.

ARTICLE VIII - AMENDMENTS TO REQUESTS; CONDITIONS GIVING RISE TO RE-NOTICE AND ADDITIONAL PUBLIC HEARINGS ON AMENDMENTS

Section 1. Amendments to Applications. An applicant may request to amend an application before the Planning Commission only prior to close of its required public hearing. Any such amendment may be made only in writing by the applicant or its representative, and the written amendment must be received by the Planning Commission or its delegated agent, the Tallahassee-Leon County Planning Department, prior to the close of the required public hearing.

The Planning Commission may consider an amendment at the same public hearing it is made, provided the amendment does not result in substantially different or greater impacts than the original request. If an amendment creates substantially different or greater impacts, the Planning Commission will not consider the amendment unless the applicant is willing to grant a continuance sufficient to allow consideration by the City of Tallahassee or Leon County Development Review Committee ("DRC"), if applicable, and the holding of another public hearing on the application as noted in Section 2 of this Article.

In instances where a change does not result in substantially different or greater impacts, if an applicant or its representative amends its application which was not filed in time for substantial

consideration by the DRC, as applicable, the Planning Commission will not consider such amendment unless the applicant is willing to request a continuance until after the amended application has been reviewed by the DRC, as applicable.

Where there has been an amendment at the Planning Commission public hearing, the Planning Department's staff will check the written amendments filed by an applicant to see that the revision conforms to the amended application actually considered and voted upon favorably by the Planning Commission. If any irregularities in this respect are discovered by staff, and are not immediately corrected by the applicant: 1) in case of zoning amendment, the irregularities will be reported to the City or County Commission, as appropriate; 2) in other cases, the Planning Department will notify the applicant in writing that the document submitted does not conform to the action by the Planning Commission. ~~An adverse decision by the Planning Department may be appealed by the applicant pursuant to the administrative appeals provisions of the applicable ordinances.~~

Section 2. Conditions Giving Rise to Re-Notice and Additional Public Hearing. The Planning Commission shall require the public notice of each application coming before the Commission as required by the Ordinances of the City of Tallahassee and Leon County, Florida. Re-notice and another public hearing also shall be required: (1) whenever an applicant requests an extension (or extensions) of time causing the item to appear before the Commission more than 60 days after the original public hearing and no substantial progress has been made toward resolution of pending issues raised; or (2) whenever there has been a change to an application resulting in substantially different or greater impacts and the original notice is no longer reasonably sufficient to inform the public of the essence and scope of the application under consideration. Upon re-notice, the matter shall be placed upon the agenda of a scheduled Commission public hearing. The method of re-notice shall be the same as the original notice. In instances where re-notice is required by these Bylaws, such costs as may be incurred shall be borne by the applicant. The Commission will act on the application at the public hearing or continuation thereof. However, nothing in these Bylaws shall permit a zoning application to be amended which results in a different zoning district than that which was originally submitted. Such a change requires submittal of a new application and adherence to any waiting period referred to in ordinances of Tallahassee and Leon County.

The Commission will not require re-notice and a new public hearing when the applicant has been diligently working with staff to resolve issues raised unless the revisions to the application result in substantially different or greater impacts of which the public is not aware.

(c) **Applicability of Article IX.** Article IX will be invoked automatically whenever a petition for ~~formal~~quasi-judicial proceedings has been timely filed and the fee timely paid unless the parties to the proceeding choose to waive any aspect of the right to ~~formal~~quasi-judicial proceedings.

(d) **Who May Initiate ~~Formal~~Quasi-judicial Proceedings; Representation.** Quasi-judicial proceedings may be initiated by the applicant, the local government with jurisdiction or persons who will suffer an adverse effect to an interest protected or furthered by the comprehensive plan, including interests related to health and safety, police and fire protection service systems, densities or intensities of development, transportation facilities, health care facilities, equipment or services, or environmental or natural resources. The alleged adverse effect to an interest may be shared in common with other members of the community at large, but shall exceed in degree the general interest in community good shared by all persons. A party may appear in any quasi-judicial proceeding without being represented by an attorney but an attorney may represent a party in any proceeding.

(e) **Filing Deadline for Appeals of Decisions of the City of Tallahassee Land Use Administrator, City of Tallahassee Director of Growth Management, City Development Review Committee, and Leon County Administrator or Designee; De Novo Review.** To initiate an appeal (see (b) 1.a, b, e, f, g, and 2.a above), a petition for ~~formal~~quasi-judicial proceedings must be filed and the corresponding filing fee must be ~~filed and~~ paid within fifteen calendar days (thirty calendar days if the project is located within the City) after the decision sought to be appealed is rendered. All appeals will be conducted as de novo proceedings.

(f) **Filing Deadline for Planning Commission Decisions or Recommendations; De Novo Review.** To initiate quasi-judicial proceedings where the Planning Commission will make the original decision or recommendation (see (b) 1.c, d, h, i, 2.b, and c above), a petition for ~~formal~~quasi-judicial proceedings together with the appropriate filing fee must be filed within fifteen calendar days (~~thirty calendar days if the project is located within the City~~) of publication of notice of the Planning Commission Public Hearing on the application in a newspaper of general circulation. All such reviews will be conducted as de novo proceedings.

(g) **Status of Other Parties.** A local government with jurisdiction and an applicant who is not contesting a recommendation or decision need not file a notice of intent or petition for formal proceedings to appear as a party. They are automatically granted party status. However, an applicant seeking to appeal a decision must file a petition for ~~formal~~quasi-judicial proceedings.

(h) **Where to File; Filing Deadlines Jurisdictional; Copies.** The petition must be filed (stamped received) in the office of the Clerk of the Planning Commission within the time period referenced above and a copy must be filed with the Planning Commission Attorney the same day. Failure to file the petition (together with the filing fee for filing the petition described in (i) below) with the Clerk of the Planning Commission within the time period specified in these Bylaws will

result in waiver of the right to a ~~formal~~ quasi-judicial proceeding and dismissal of the petition. A copy of the petition must be mailed or delivered to the applicant.

(i) **Required Contents of the Petition for ~~Formal~~ Quasi-judicial Proceedings; Filing Fees; Notice of Filing Requirements.** All petitions for ~~formal~~ quasi-judicial proceedings must be in writing. A petition must be filed on the form that appears in Appendix I. The form must be accompanied by a non-refundable filing fee of \$150.00 and shall have attached to it a copy of the decision which is sought to be reviewed in a formal proceeding. If a petition will be filed by more than one person, each additional person may join in the petition for an additional filing fee of \$25.00. (In such case, a joint petition shall be filed). However, nothing herein precludes the filing of separate petitions by persons who wish to pay the full filing fee. The petition must include:

(1) The title or name of the person or entity making the determination being appealed under Section 1. (e) above or the recommendation being proposed under Section 1. (f) above, the date the determination or recommendation was rendered, or public notice given in case of review under Section 1.(f) ~~made~~ and the entity's file or identification number, if known;

A copy of a petition must be served on the applicant, if applicable, and on the attorney for the local government. The Clerk of the Planning Commission shall provide a copy of a petition to parties who are not identified as having received a copy.

(j) **Determination of Standing.** A Determination of Standing is a finding that the petitioner has alleged sufficient facts to establish entitlement to ~~formal~~quasi-judicial proceedings. (m) **Intervention.** Intervention is permitted prior to the evidentiary hearing by any person who would qualify as a party. A party who seeks to intervene must file a petition for intervention that provides the same information as a petition for quasi-judicial proceedings. The intervenor must also file the filing fee required of persons filing a petition for formal proceedings. Intervention is not

permitted after discovery has been completed. The Administrative Law Judge shall, within five days of the date a petition for intervention is filed, determine whether the person or entity filing the petition has alleged sufficient facts (to be proved at final hearing) to establish entitlement to intervention ("Standing"). A Determination of Standing will be issued to the person who filed the petition, and a copy provided the parties. If a petition is deficient, it shall be rejected. A second Determination of Standing shall be issued within five days of receipt of an amended petition. A party seeking to appeal a second unfavorable Determination of Standing (City only) may do so by filing a motion for reconsideration with the Planning Commission within 3 days of receipt. Section 3. Transmittal of Petition to the Division of Administrative Hearings; Verbatim Record; Procedural Orders; Time for Requesting Procedural Orders; Mediation; Notice of Formal Quasi-judicial Evidentiary Hearing.

(a) Transmittal of Petition to the Division of Administrative Hearings; Administrative Law Judges; Verbatim Record. Within two days of receipt of a Determination of Standing favorable to petitioner, the Clerk of the Planning Commission shall transmit the petition for ~~formal~~ quasi-judicial proceedings to the Division of Administrative Hearings for assignment of an Administrative Law Judge ~~who will conduct a formal evidentiary hearing, rule on any pending motions and render a recommended order with findings of fact, conclusions of law and a recommendation.~~

The Administrative Law Judge assigned by the Division of Administrative Hearings shall be an attorney who has at least five years' experience as a practicing attorney and who shall have the power to swear witnesses and take their testimony under oath, to issue subpoenas and other orders regarding the conduct of the proceedings and to compel entry upon land. The Administrative Law Judge will conduct the quasi-judicial evidentiary hearing, rule on any pending motions and render a recommended order with findings of fact, conclusions of law and a recommended action.

If a person decides to appeal any decision made by the Planning Commission with respect to any matter considered at a meeting or hearing, such person will need a record of the proceedings, and for this purpose such person may need to ensure that a verbatim record of the proceedings is made, which record indicates the testimony and evidence upon which the appeal is to be based. The Planning Commission does not provide or prepare such a record (Section 286.0105, Florida Statutes). The Clerk of the Planning Commission will retain all official exhibits and make copies available, at the cost of reproduction, upon request.

(b) Procedural Orders and Discovery. At the request of any party, or upon his or her own motion, the Administrative Law Judge shall consider the entry of a procedural order requiring all parties to:

- 1) confer and discuss the possibility of settlement;
- 2) establish a discovery schedule, including the opportunity to take depositions;
- 3) exchange witness lists, identifying the subject area of the witnesses' expertise, where applicable, and a written summary of the expert's testimony;
- 4) exchange lists of exhibits to be submitted into evidence and view said exhibits;
- 5) stipulate to as many facts as possible; and
- 6) file with the Administrative Law Judge, no later than ten days before the ~~formal~~ quasi-judicial evidentiary hearing a signed joint prehearing statement setting forth those facts which are agreed to by the parties and those facts that remain in dispute and attaching a copy of the witness and exhibit list of each party.

If the parties are unable to cooperate on a joint prehearing statement, then the parties must file individual statements providing the same information. A copy of the prehearing statement must be provided to all other parties by the party filing the document at the time of filing. Prehearing statements may be amended only with permission of the Administrative Law Judge.

Discovery is a process that allows the parties to obtain information about the other parties' argument, witnesses and exhibits. Discovery is permitted in the same manner as provided in the Florida Rules of Civil Procedure for matters pending in court proceedings, except that the times for completing discovery under those rules may be altered by the administrative law judge as required to meet the timeframes for completing the proceedings as provided in these Bylaws.

(c) Time for Requesting Procedural Orders. If a procedural order is desired by any party who has filed a petition for ~~formal~~ quasi-judicial proceedings, the request for entry of a procedural order must be included in the petition. Parties defending against the petition who desire entry of a procedural order must file a request by motion for entry of same within ten days of the filing of the petition. The Administrative Law Judge will rule on requests for procedural orders.

(d) **Mediation.** Upon issuance of a Determination of Standing favorable to the petitioner, in addition to submitting the petition to the Division of Administrative Proceedings for assignment of an Administrative Law Judge, the Clerk of the Planning Commission will submit the petition to a mediator (~~determined from an approved list of mediators as provided in Appendix IV to these Bylaws~~) unless the petitioner has expressly indicated in the petition that mediation is not desired. If the petition does not indicate that mediation is not desired, mediation shall be conducted unless declined by any other party within 5 days of filing of the petition. The mediator shall contact the parties to schedule mediation. Mediation shall be completed within 45 days of filing of a petition. Mediation costs will be borne by the parties. If mediation is successful, a mediation stipulation signed by the parties and the mediator shall be submitted to the Planning Commission for review and a notice of voluntary dismissal of the request for ~~formal~~ quasi-judicial proceedings shall be filed by the petitioner with the Administrative Law Judge. The mediation stipulation shall include findings of fact, conclusions of law and a recommendation. The Planning Commission shall treat the mediation stipulation as if it were a recommended order from an Administrative Law Judge, except that no exceptions may be filed by the parties.

(e) **Notice of ~~Formal~~ Quasi-judicial Evidentiary Hearing.** Notice of the ~~formal~~ quasi-judicial evidentiary hearing before an Administrative Law Judge shall be published by the Clerk of the Planning Commission in a newspaper of general circulation fifteen calendar days before the ~~formal~~ quasi-judicial evidentiary hearing. Notice to the parties shall be provided by the Administrative Law Judge. If the hearing is continued or rescheduled, notice shall be provided to the parties of the new date of hearing by the Administrative Law Judge but notice shall not again be published in the newspaper. Interested persons are encouraged to contact the Planning Commission Secretary for information regarding rescheduling. Unless consented to by all parties, the ~~formal~~ quasi-judicial evidentiary hearing shall be held within 60 days of transmittal of the petition to the Division of Administrative Hearings.

Section 4. Public Testimony. Members of the general public shall be permitted up to three minutes per person to submit testimony at the ~~formal~~ quasi-judicial evidentiary proceeding. However, the Administrative Law Judge may enlarge the time if, in his or her discretion, the circumstances warrant such enlargement. Those members of the public wishing to speak must sign a speaker slip and must submit testimony under oath or affirmation.

Section 5. Evidence; Burden of Proof. All recommended orders shall be based upon competent, substantial evidence. The Administrative Law Judge shall not be bound by strict rules of evidence, nor limited to consideration of such evidence as would be admissible in a court of law, but may exclude irrelevant, immaterial, incompetent, or unduly repetitious testimony or evidence. Hearsay evidence will be accepted. However, the Administrative Law Judge shall not make a finding that is based solely on hearsay, unless the hearsay would be admissible in a judicial proceeding under the Florida Evidence Code. The Administrative Law Judge shall rule on any objections made at the ~~final~~ evidentiary hearing. In de novo quasi-judicial proceedings, the initial burden of proof shall be on the applicant. Once the applicant establishes his or her entitlement to approval by submittal of competent, substantial evidence supporting the approval (referred to by the courts of this state as a "prima facie case"), the burden of proof will shift to the petitioner(s) to rebut the evidence submitted by the applicant. The decision under appeal will be treated as a staff report.

Section 6. Rules Incorporated by Reference. Where not in conflict with these Bylaws, the following rules adopted pursuant to Chapter 120, Florida Statutes, for conducting hearings before the Division of Administrative Hearings also apply (although Chapter 120 does not apply to these proceedings): Florida Administrative Code Rules 28-106.104 (except subsections (7), (8), and (9) thereof), 28-106.108, 28-106.110, 28-106.203, 28-106.211, 28-106.213, and 28-106.215. A copy of these rules appears in Appendix II. The right to cross examine witnesses shall be available only to parties.

Section 7. Order for Presenting Evidence. The applicant shall present its case. Opposing parties shall then present their case(s). A designated representative shall then make the presentation on behalf of the government with jurisdiction. The City or County, as applicable, shall be treated as a party in all quasi-judicial proceedings and will be expected to present argument, just like any other party. Provisions will also be made for public comment at a time convenient to the orderly presentation of evidence by the parties. The parties shall have the opportunity to respond to any comments made by the public and shall also have the opportunity to rebut other parties' presentations.

Section 8. Supplementing the Record; Ex Parte Communications Prohibited.
Supplementing the record after the ~~formal~~quasi-judicial evidentiary hearing is prohibited.

No ex parte communications will be permitted during the pendency of quasi-judicial proceedings before the Planning Commission or an Administrative Law Judge. An ex parte communication is an oral or written communication outside of a Planning Commission meeting or administrative hearing and without notice to the parties made to a member of the Planning Commission or Administrative Law Judge by, or on behalf of, a party, or otherwise, about the merits of a matter before the Planning Commission, or foreseeably anticipated to come before the Commission. In the event of any ex parte communication to a Planning Commissioner or Administrative Law Judge, the substance of the communication and the identity of the person, group, or entity with whom the communication took place shall be disclosed and made a part of the record before final action on the matter. Nothing herein shall preclude any member of the Planning Commission from individually visiting any site that is the subject of a quasi-judicial proceeding. Disclosures made pursuant to this section must be made before or during the public meeting or hearing at which action is taken on such matters, so that persons who have opinions contrary to those expressed in the ex parte communication are given a reasonable opportunity to refute or respond to the communication.

Section 9. Continuances; Computation of Time.

(a) Continuances. A party may seek a continuance of a hearing or time for filing any document except the petition for ~~formal~~quasi-judicial proceedings by filing a request for continuance in writing with the Administrative Law Judge, or Planning Commission if the continuance is sought after the recommended order is issued. The request must explain the reasons for such a request. Copies of such requests shall be provided by facsimile or hand-delivery to all parties, who may respond within three days of the date the request is rendered.

(b) Computation of Time. Unless otherwise stated in these Bylaws, "days" means "working days". In computing any period of working days prescribed or allowed by these Bylaws, by order of the Planning Commission, or by any applicable ordinance, the day of the act, event, or action from which the designated period of time begins to run and any Saturdays, Sundays and legal holidays shall not be counted. In computing any period of time prescribed or allowed by these Bylaws, by order of the Planning Commission, or any applicable ordinance, which is to be counted by calendar days, the following shall apply: 1) The day of the act, event, or action from which the designated period of time begins to run shall not be included. 2) Saturdays, Sundays and legal holidays shall be included. However, the last day of the period so computed shall be included unless it is a Saturday, Sunday or legal holiday. If the last day of the period so computed is a Saturday, Sunday or legal holiday, the period shall run until the end of the next day which is neither a Saturday, Sunday or legal holiday. 3) When the period of time prescribed or allowed is less than seven calendar days, intermediate Saturdays, Sundays and legal holidays shall be excluded in the computation.

Section 10. Action on Recommended Order. The Administrative Law Judge shall serve copies of the recommended order on the parties and transmit the original together with the record to the Clerk of the Planning Commission.

(a) Exceptions. The parties shall have ten calendar days from the date the recommended order is served to file specific, written objections ("exceptions") to the recommended order with the Clerk of the Planning Commission. Objections ("exceptions") shall include appropriate references to the record before the Administrative Law Judge. Exceptions to findings of fact must be filed together with nine copies of the entire record. Only one copy of the record need be filed if there are no exceptions to findings of fact. A party may file a motion with the Planning Commission seeking to reduce the number of copies that need to be filed if the circumstances of the case (such as the size of the record) warrant a reduction in the number of copies filed. If more than one party is filing exceptions, the parties are encouraged to coordinate the filing of the copies of the record among themselves to avoid filing more than nine copies. A response to exceptions may be filed within ten calendar days following the date shown on the certificate of service of the exceptions. The party defending challenged findings of fact is encouraged to include in the response to exceptions the record citation supporting the challenged finding. After receipt of the recommended order from the Administrative Law Judge, and expiration of the time for filing of exceptions (and responses to exceptions, if exceptions are filed), the Clerk of the Planning Commission shall schedule the recommended order for consideration by the Planning Commission.

(b) Consideration of the Recommended Order. During its consideration of the recommended order at a duly noticed public hearing, the Planning Commission will take comment from persons who desire to submit comments in favor or in opposition to the recommended order. The general public will be afforded three minutes per person. The parties will be afforded fifteen minutes each to present oral argument on the exceptions. The Planning Commission Chair may enlarge the time afforded under this provision if, in his or her judgment, the circumstances warrant such enlargement. The Planning Commission may address questions to the parties, members of the public, or staff, or to anyone else related to the recommended order at its discretion. No party, including staff, may submit new evidence to the Planning Commission; presentations must be confined to evidence made part of the record before the Administrative Law Judge.

(c) **Action on the Recommended Order.** The Planning Commission shall adopt the recommended order, adopt the recommended order with changes, or direct staff to prepare a revised order. The Planning Commission may also remand the recommended order to the Administrative Law Judge if additional findings are necessary. The Planning Commission shall not change any findings of fact reached by the Administrative Law Judge unless after review of the entire record, the Planning Commission finds there is no competent substantial evidence to support the Administrative Law Judge's findings. The Planning Commission may change conclusions of law if it is found that the Administrative Law Judge did not apply the correct law. If the Planning Commission directs staff to prepare a revised order, the revised order shall be submitted to the Planning Commissioners. The order shall be signed by the Chair unless one or more Commissioners indicates to the Clerk of the Planning Commission that the order does not reflect the vote. In such case, the draft shall be presented to the Planning Commission at its next regularly scheduled meeting for final action. Commissioner(s)' objections to a draft order must be submitted to the Clerk of the Planning Commission within five days of transmittal of the draft to the Commissioners.

Section 11. Decisions of the Planning Commission. Every decision of the Planning Commission shall be promptly filed in the office of the Clerk of the Planning Commission, and shall be open to public inspection. A copy shall be sent by U.S. Mail, facsimile, or hand-delivery to the parties. The Planning Commission decision shall not be deemed to be rendered until date stamped by the Clerk of the Planning Commission.

Section 12. Order Closing File; Settlement Agreements. An applicant may withdraw its application, a petitioner may withdraw its petition for ~~formal~~quasi-judicial proceedings or notice of intent to file same, or the parties may settle their dispute any time before the Planning Commission takes final action. Upon filing of a notice of withdrawal of the application (by the applicant) or the, filing of the withdrawal of the petition for ~~formal~~quasi-judicial proceedings (by the petitioner), or filing of a settlement agreement (by the parties), the Clerk of the Planning Commission will enter an Order Closing File, unless the Planning Commission is required to take further action on a matter. The entry of this order will terminate the ~~formal~~quasi-judicial proceedings. A copy of a settlement agreement must be forwarded to the Administrative Law Judge with a notice of voluntary dismissal if the matter is pending before the Administrative Law Judge. The Planning Commission will not take further action on the matter, except in those cases where the application has not been withdrawn and the Planning Commission is required by ordinance to hold a public hearing in order to render a decision or make a recommendation to the City or County Commission.

Each speaker shall be limited to three minutes unless additional time is permitted upon majority vote of the Planning Commission. The ad shall include the purpose, date, time, and location of the meetings, and it shall offer citizens the opportunity to obtain additional information and to be placed on a mailing list for future meeting notices if they so choose.

The public hearing required by Section 163.3174(4)(a), Florida Statutes, held to receive public comments on plan amendments, shall be advertised in a newspaper of general circulation in a display ad of at least 3" x 3" and shall include the above listed information. Section 3. Free Publicity. Advantage will be taken of any free publicity opportunities that may be available. Notices of meetings will be submitted to the respective City and County community liaison offices for inclusion in periodic community service listings or announcements of meetings. Depending upon the nature or extent of written comments received, such comments will be summarized, or provided in their entirety to the Local Planning Agency members for consideration.

Section 7. Public Hearings. Public hearings will be conducted in accordance with the requirements of Chapter 163, Florida Statutes. Additional hearings can be held at local option. All hearings will meet legal requirements relating to advertising, and will be held at a time and location convenient to the general public. Beyond the legal requirements, other citizen notification techniques as outlined, and as appropriate, will be utilized.

Section 8. Workshop Sessions. Workshop sessions constitute public meetings and will be appropriately advertised, and other techniques will be utilized, as appropriate, to notify the public of the workshops. Workshops shall be held at a time and location that is accessible to the public. Workshop sessions will be generally less formal than regularly scheduled meetings and public hearings in order to encourage a more spontaneous flow of discussion among the participants. Such workshops can be geographically based or issue based, depending on the need.

TALLAHASSEE-LEON COUNTY PLANNING COMMISSION Procedure for Selection of Planning Commission Mediator

Applications may be obtained from the Planning Commission Clerk, and must be submitted to the Planning Commission Clerk. Mediators meeting the criteria (as determined by the Planning Commission Clerk upon consultation with the Planning Commission Attorney) will be placed on a list in the order in which the applications are received by the Planning Commission Clerk. The total cost of mediation will be shared by the parties, who shall be the applicant, the local government and the petitioner, if different from the applicant. The mediator is responsible for billing and collecting his/her fee.

To satisfy the requirements listed above, the applicants must submit:

- a) Evidence of certification by the Florida Supreme Court as a mediator at the circuit court level;
- b) A list of mediations conducted over the past 3 years (minimum of 3); and
- c) Evidence of Florida Bar membership.

Once it is determined that the parties will select mediation under the Planning Commission Bylaws, the Planning Commission Clerk will ask the parties to select a mediator within a specified time from the list of approved mediators. If the parties fail to select a mediator within the time set by the Planning Commission Clerk, the Clerk will select a mediator from the list. The mediator selected by the Planning Commission Clerk shall be the next one on the list that has not yet been called to serve as mediator and does not have a conflict.

The Planning Commission Clerk shall send a copy of the petition for hearing to the selected mediator together with contact information about the parties. A copy of the transmittal letter shall be forwarded to the parties. The mediator will contact the parties with respect to mediation.
